ExtraValue. Extra Support. Extra Trust!

CLOTHING FACTORY X

Faster. Smarter. More Profitable for You.

ABOUT US | CLOTHING FACTORY X (CFX)

Since 2009, Clothing Factory X (CFX) has evolved from a garment factory into one of China's most reputable custom clothing manufacturers. We specialize in bespoke apparel for clients worldwide and are a trusted partner for international brands, known for our refined processes and strong partnerships.

OUR STORY

Working indirectly through trade companies, our factory initially faced communication and production issues. Client projects taught us that direct communication and innovative solutions were essential for success. We then evolved into a proactive global partner, providing expert solutions directly to our clients.

WHAT WE OFFER

- **Tailored Solutions:** Custom apparel for fashion, corporate, and private label needs.
- **Innovative Materials:** Eco-friendly and performance fabrics.
- **Advanced Production:** 3D printing, embroidery, and more.
- **Optimized Fit:** Global sizing for perfect garment fit.
- **Flexible Production:** High-volume, fast turnaround for all order sizes.
- **24/7 Support:** Continuous communication and expert collaboration.

WHY CHOOSE CLOTHING FACTORY X?

- **Expertise:**
Over a decade as a leading Chinese manufacturer of diverse custom apparel.
- **Global Reach:**
Scalable, efficient production for worldwide market expansion.
- **Tailored Solutions:**
Flexible custom apparel for all brands, from startups to enterprises.
- **Unmatched Quality:**
Strict quality control from prototype to final product.

OUR PRODUCTION PROCESS

From Concept to Global Delivery — How We Make Your Custom Apparel Happen

INITIAL CONSULTATION & REQUIREMENTS GATHERING

Collaborate to understand design needs and gather specifications for custom apparel manufacturing.

TECH PACK & QUOTATION:

Prepare detailed technical specifications (tech packs) and provide competitive quotes for mass and bulk clothing orders.

MATERIAL SOURCING & SAMPLING:

Source premium materials and create samples for custom apparel, leveraging an efficient supply chain.

PRE-PRODUCTION APPROVAL:

Obtain final approvals on custom-made garments, designs, and specifications to ensure tailored solutions.

MASS PRODUCTION:

Execute efficient manufacturing for both small batches and large-scale orders in advanced garment factories.

QUALITY CONTROL & INSPECTION:

Conduct rigorous quality checks on all custom apparel to guarantee consistency and quality.

PACKAGING & BRANDING:

Provide customized packaging and branding services, including eco-friendly options, to enhance market presence.

LOGISTICS & GLOBAL SHIPPING:

Arrange worldwide shipping via sea freight, air freight, and courier services, ensuring timely delivery.
